MANAGING MILLENNIALS Post Oak Room
SPONSORED BY CHEVRON

Millennials exposed! Insights into the psyche of a new generation of workers. In this content-rich yet entertaining workshop, Gupta-Sunderji outlines the factors that shaped this generation, what immense strengths they can bring to the workplace, and perhaps most importantly, how you can tap into this mother-lode of innovation and tenacity. Millennials can take your organization to the next level of success if you can figure out how to do it! This generation is going to be your employees, your customers, your suppliers, your competitors and even your shareholders. It is the nature of the world that someday, they will run your organization. Acquire six specific and practical strategies to attract, keep and lead the millennial generation, who are the future leaders of the energy industry! The session will conclude with a panel of Millennials who will provide additional insight into the psyche of this emerging generation.

Led by:

Ms. Merge Gupta-Sunderji, MBA, CGA, CSP, Leadership & Workplace Communication Expert

Millennial Panelists:

Ms. Kristin Klenzendorf, Marketing Analyst, BP – North America Gas & Power

Ms. Kimberly Wachel, Marketing Coordinator, KBR

Mr. Wes Olis, Corporate Product Manager, National Oilwell Varco

MANAGING YOUR CAREER: SECRETS FROM MASTER EXECUTIVE COACHES Bellaire Room
SPONSORED BY KBR

Are you where you want to be in your career? Learn the top ten things women need to do to have a successful career. Based on coaching and training over a thousand women executives, Flynn Heath Holt Leadership has assembled the list of ten surprising reasons why women don't get promoted in no-nonsense terms. Come see how strategic you are about your career path and learn where you need to focus more time and attention in order to advance. You leave after having had fun and learning some not so obvious career lessons from two of the most sought-after executive coaches in the field. A panel of executive women will also share their insight on methods they used to advance in their careers.

Led by:

Ms. Mary Davis Holt, Partner, Flynn Heath Holt Leadership

Ms. Jill Flynn, Managing Partner, Flynn Heath Holt Leadership

Panelists:

Ms. Ann Banks, Senior Vice President of Business Development & Finance, SCC Americas

Ms. Karyl Lawson, Attorney at Law, Phillips & Reiter, P.L.L.C./Founder of the Women's Energy Network of Houston

Ms. Kathleen Farlow, Partner, Deloitte Tax LLP

Ms. Marisé J.B. Mikulis, Director, Production Quest, Baker Hughes

ENERGY INDUSTRY EXPLAINED: WHAT YOU MUST KNOW IN TODAY'S MARKET Tanglewood Room

This workshop starts with a refresher on the basics of the upstream and downstream energy value chain and then takes it to the next level, teaching you how to talk about the industry, economy and the environment – and how they interact – in a knowledgeable way. Panelists will discuss the complex relationships among the global economy, the price of oil, and supply and demand, and how they impact the viability of funding and developing new technology and alternative energy resources. Public opinions and misnomers about energy will also be discussed.

Presenters:

Ms. Cindy Schild, Refining Issues Manager, Downstream Segment, American Petroleum Institute

Mr. John Matt, Vice President, Health, Safety, Security, Environment and Social Performance, Shell Gas & Power

Ms. Mari Laino, Vice President Strategy Planning and Performance, BP America Inc.

Ms. Joanne Shore, Energy Information Administration, Department of Energy
